

A close-up, artistic photograph of a horse's eye. The eye is dark and glossy, reflecting the stars and stripes of the United States flag. The surrounding fur is a mix of grey, white, and brown, with fine hairs visible. The lighting is soft, creating a gentle glow around the eye.

Herd Health

All cattle will be accompanied with proper health certificates for timely shipment. Laflin Ranch is on a very stringent vaccination and herd health program. Any questions on herd health please contact us.

Breeding Information

A supplement sheet will be available sale day, if necessary with complete and up-to-date breeding and calving information. All announcements from the auction block will take precedence over printed information. Additional carcass and ultrasound information available sale day. All updates, breeding information and carcass data will be available sale day.

BULL BREEDING GUARANTEE

Bulls selling for \$3,500 or more are guaranteed against breeding injury and infertility for the first breeding season. Should the bull be injured the buyer has a choice of a replacement bull, if available or if the buyer prefers a credit will be given towards one bull in the following years production sale, less the salvage value of the injured bull. Should your purchase be injured, a veterinary examination must be performed and Laflin Ranch must be notified within one week of the occurrence.

Semen Evaluation: Fall bulls and 12 month old bulls have passed a BSE exam, bulls less than 12 months of age on sale day will have a BSE performed early April.

To protect your investment, we highly recommend that breeding and mortality insurance be obtained on your purchases. Laflin Ranch works closely with Trudo Insurance, Randa Dean, Agent, please contact Randa to obtain this insurance. We can assist you with this insurance at the check-out table.

Welcome Friends

Hello Angus Friends!

What an exciting time to be in the cattle business. Demand for our products is high and cow numbers are low. In this situation, pounds pay. As you look at the bulls in this year's offering there are trait leaders in all categories. You can find the bull that will help you fine tune your calf crop to maximize the potential these times offer.

The Laflin breeding goal is excellence in balance. We know agriculture is a very challenging occupation as we all depend on God's grace to make it through droughts, floods, blizzards, labor shortage and high input costs. We are part of a truly demanding lifestyle/business. In our program, we strive to raise cattle that are efficient and productive to help offset the risks that are out of our control. Single trait selection is not a part of our program because it is not a part of balanced real world genetic improvement. As you look through this catalog, you will not see a rubber stamped set of animals. There are different tools for the many different operations where these animals will go and become a contributing member.

As always, we want to thank all of our friends, neighbors and customers. Without all of you this could not happen. In closing, if there is anything we can do for you in selection or marketing of your calves, please ask. Our relationship with you only begins on sale day, we want to be a resource for you throughout the year. Please feel free to call or reach out to us if you would like to schedule a time to look at the cattle prior to sale day or just ask a question – we will do our best to help you.

Come early to go through the cattle sale day and have time to enjoy a wonderful beef and beans lunch grilled by Kevin and enjoy the pie served by our local Olsburg Boosters 4-H club.

***Please join us, God Bless you and your's.
R.D. & Family***

***Join us for a complimentary
noon meal prepared by The
Smokin' Grill - our long-time
friend Kevin Gudenkauf.
Don't forget the pie!***

Customer Marketing Assistance

We here at Laflin Ranch strive to breed cattle that are complete from start to finish. These animals cover the gamut from calving ease to keystone replacement females that breed back time after time. Their progeny have real carcass merit with the end product showing top returns. We are here to help you get the most out of your efforts and investment.

Whether you are seeking opportunities for your weaned calves or marketing your replacement

females, we would like to extend a hand to help.

If we can be of any assistance in any way, please call.

Thanks
R.D. Laflin

This Iconic son ties everything together so well. He has the perfect combination of Cow Sense and Science. His mother is an eye catcher, has a perfect udder, and stems from the Galaxie cow family. The Iconic cattle have the ideal combination of elite performance and eye appeal. Whether you want to sell high quality feeder steers or retain an excellent set of replacement heifers this bull has the ability to do both.

Out of a pathfinder cow, this is a maternal brother to Ranch Hand. One of Growth Fund's finest with wow power behind him. IMF ratio 105 he is top 4% for heifer pregnancy, \$W and \$F. Top 5% for docility, 3% WW, 2% YW. What more do you want in a total package?

All along this bull has been so good in his type and kind. I have really enjoyed watching him progress into the outstanding individual he is today. This Home Run son is suitable for heifers and maintains a great spread from birth to yearling. I admire how much shape this bull possesses and can get out and travel. His mother is a big power cow. She consistently produces every year.

Very gentle and easy going son of Home Run. His extra rib shape, moderate stature, and big spread will get anyone's attention. 14 CED, -1.1 Birth, and tops out at 144 YW. 2111 is the perfect heifer bull candidate being the right size with modest birth. His mother is a square made, stout, Value Added daughter.

Two ET ½ sisters out of 3308, the cow that has done it all. She consistently produces off spring that are REALLY great. These will be some of the last 3308's to sell, opportunity is knocking because there won't be any more from this cow. Take a look at these gals, you won't be disappointed. Sired by two great bulls: Marvel and Rainfall.
